This is a decision on the petition filed on October 29, 2009, which is being treated as a petition under 1.181 requesting that the patent term adjustment indicated on the above-identified patent be corrected to indicate that the term of the above-identified patent is extended or adjusted by eight hundred twenty (820) days.

The petition to correct the patent term adjustment indicated on the above-identified patent to indicate that the term of the above-identified patent is extended or adjusted by eight hundred nineteen (819) days is **GRANTED to the extent indicated herein.**

As the period from the filing date of the request for continued examination (RCE) to the issue date of the patent is not included in the "B" delay period, the over three year period begins on January 1, 2007 and ends on August 19, 2007, the day before the RCE was filed, and is 231 days. See 35 U.S.C. 154(b)(1)(B)(i). As such, the patent term adjustment is 819, not 820 days.

The Office will *sua sponte* issue a certificate of correction. Pursuant to 37 CFR 1.322, the Office will not issue a certificate of correction without first providing assignee or patentee an opportunity to be heard.
